Schoengold Sporn Laitman & Lometti, P.C. Announces Class Action Lawsuit Against Leap Wireless International, Inc. (NASDAQ: LEAP), Certain of Its Officers and PricewaterhouseCoopers

Tuesday November 27, 6:05 pm ET

NEW YORK, NY--(MARKET WIRE)--Nov 27, 2007 -- Schoengold Sporn Laitman & Lometti, P.C. filed a class action lawsuit against Leap Wireless International, Inc. ("Leap" or the "Company") (NasdaqGS:[LEAP](#) - [News](#)), certain of its officers and its independent auditor, PricewaterhouseCoopers, in the United States District Court for the Southern District of California. This action has been brought on behalf of all purchasers of Leap securities during the period between May 16, 2004 through November 9, 2007 (the "Class Period"). If you purchased Leap securities during the Class Period and would like to join the action pursuing securities claims against the Company, you may do so by visiting Schoengold Sporn Laitman & Lometti's website at www.spornlaw.com or contacting Schoengold Sporn Laitman & Lometti, toll free at (866) 348-7700 or via e-mail at shareholderrelations@spornlaw.com. However, please note that the deadline to seek lead plaintiff status in this case expires sixty days from November 27, 2007.

The complaint alleges that during the Class Period, defendants violated Sections 10(b) and 20(a) of the Securities Exchange Act of 1934 and Rule 10b-5 promulgated thereunder by making materially false and misleading statements regarding the Company's business and prospects to artificially inflate the value of Leap stock. It is alleged that throughout the Class Period, the defendants made material misrepresentations and omissions of fact regarding the Company's revenues beginning in fiscal year 2004 and continuing through the second quarter of fiscal 2007. The Company reported revenues of \$826 million for fiscal year 2004; \$914.7 million for fiscal year 2005; \$1.136 billion for fiscal year 2006; \$389.4 million for the first quarter of fiscal year 2007; and, \$393.2 million for the second quarter of fiscal 2007. As a result of the defendants' misrepresentations, Leap stock traded at artificially inflated prices during the class period, trading as high as \$99.00 in July 2007.

The Company shocked the market on November 9, 2007 when it announced, "it will restate its financial statements for fiscal years 2004, 2005 and 2006 and for the first and second quarters of 2007 to correct for errors in previously reported service revenues, equipment revenues, and operating expenses." As a result, on November 9, 2007, Leap's common stock closed at \$36.72 per share, declining 37% from the previous trading day's close of \$58.10, on very heavy trading volume of 11,377,500 shares, over six times the prior trading days' volume, and representing a loss of market capitalization of over \$240 million.

If you purchased Leap securities during the Class Period and either sold those securities at a loss or still hold them, you may request that the Court appoint you as a lead plaintiff. However, you must do so before sixty days from November 27, 2007.

Schoengold Sporn Laitman & Lometti was established in 1962 and has specialized in securities fraud litigation for over 35 years. The firm was cited by the Wall Street Journal in a study of the largest recoveries, as a percentage of overall damages, for its recoveries in the Anadigics and Versatility cases, which ranked first and third for recovering 44% and 30%, respectively, of plaintiffs' overall losses. In past three years, alone, the firm has recovered in excess of \$100 million for shareholders, representing approximately 35% of reasonably recoverable damages in those cases.

BERMAN DeVALERIO PEASE TABACCO BURT & PUCILLO

THE FIRM

The law firm of Berman DeValerio Pease Tabacco Burt & Pucillo prosecutes class actions nationwide on behalf of victims of securities and antitrust law violations. Founded in 1982, Berman DeValerio has 30 attorneys in Boston, San Francisco and West Palm Beach. The firm holds leadership positions in dozens of securities and antitrust actions around the country.

The attorneys at Berman DeValerio have prosecuted hundreds of class actions on behalf of defrauded individuals and institutions, recovering billions of dollars overall for clients. In addition to the financial recoveries, the firm has achieved significant changes in corporate governance.

The firm acts as monitoring, evaluation, and/or litigation counsel for more than 60 public and Taft-Hartley pension funds, including three of the four largest pension funds in the nation and more than a quarter of all U.S. public funds with more than \$5 billion in assets under management.

RESULTS

Securities Settlements

The firm has negotiated substantial recoveries and corporate governance changes for its clients. The following is a selection of significant results in securities litigation:

In re: WorldCom, Inc. Sec. Litig., 02cv3288 (S.D.N.Y.). As counsel to court-appointed bondholder representatives the County of Fresno, Calif., and the Fresno County Employees' Retirement Association, Berman DeValerio helped a team of lawyers representing the lead plaintiff, the New York State Common Retirement Fund, obtain settlements worth more than \$6.13 billion as of July 2005.

In re: Bristol-Myers Squibb Sec. Litig. (Bristol-Myers 2), 02cv2251 (S.D.N.Y.). Berman DeValerio represented the Fresno County Employees' Retirement Association and the Louisiana State Employees' Retirement System as co-lead plaintiffs, negotiating a cash settlement of \$300 million in July 2004. At that time, the settlement was the largest by a drug company in a U.S. securities fraud case.

In re: El Paso Sec. Litig., H-02-2717 (S.D. Tex.). Representing the Oklahoma Firefighters Pension and Retirement System as co-lead plaintiff, Berman DeValerio helped negotiate a memorandum of understanding to settle claims against the defendants for \$285 million, including \$12 million from auditors PricewaterhouseCoopers. The court granted final approval of the settlement in March 2007.

In re: Digital Lightwave Sec. Litig., 98-152cvT-24C (M.D. Fla.). The Boston office acted as co-lead counsel and the Florida office acted as liaison counsel in negotiating a settlement that included changing company management and strengthening the company's internal financial controls. The class received 1.8 million shares of freely tradable common stock that traded at just below \$4 per share when the court approved the settlement. At the time the shares were distributed to the members of the class, the stock traded at approximately \$100 per share and class members received more than 200% of their losses after the payment of attorneys' fees and expenses. The total value of the settlement, at the time of distribution, was almost \$200 million.

In re: Bristol-Myers Squibb Sec. Litig. (Bristol-Myers 1), 00cv1990, (D.N.J.). The firm negotiated a \$185 million partial settlement with Bristol-Myers and Charles A. Heimbold, Jr., the company's former chairman and chief executive officer. The company also agreed to implement corporate governance reforms. The settlement agreement received final court approval in May 2006.

In re: Symbol Technologies, Inc. Sec. Litig., 2:02cv01383 (E.D.N.Y.). Berman DeValerio represented the Municipal Police Employees' Retirement System of Louisiana as co-lead plaintiff, obtaining a \$139 million partial settlement in June 2004. Subsequently, Symbol's former auditor, Deloitte & Touche LLP, agreed to pay \$24 million. The settlement was approved by the court in September 2006. Lead plaintiffs continue to prosecute claims against individual defendants.

In re: Lernout & Hauspie Sec. Litig., 00-11589 (D. Mass.) and *Quaak v. Dexia, S.A.*, 03-11566 (D. Mass.). As co-lead counsel, Berman DeValerio negotiated what was then the third largest settlement ever paid by accounting firms in a securities class action – a \$115 million agreement with the U.S. and Belgian affiliates of KPMG International – to settle claims of accounting malpractice in December 2004. The case stemmed from KPMG's work for Lernout & Hauspie Speech Products, a software company driven into bankruptcy by a massive fraudulent scandal. In March 2005, the firm also reached an additional settlement worth \$5.27 million with certain of Lernout & Hauspie's former top officers and directors. In the related *Quaak* case, the firm negotiated a \$60 million settlement with Dexia Bank Belgium to settle claims stemming from the bank's alleged role in the fraudulent scheme at Lernout & Hauspie. The court granted final approval of the Dexia settlement in June 2007. The Dexia agreement brought the total settlement value to more than \$180 million.

In re: Prison Realty Sec. Litig., 3:99cv0452 (M.D. Tenn.), (In re: Old CCA Sec. Litig., 3:99cv0458). The firm represented the former shareholders of Corrections Corporation of America, which merged with another company to form Prison Realty Trust, Inc. The action charged that the registration statement issued in connection with the merger contained untrue statements. The firm countered arguments that the class' claims of securities fraud were released in prior litigation involving the merger and overcame

motions to dismiss. It negotiated a global settlement of approximately \$120 million in cash and stock for this case and other related litigation.

Oracle Cases, Coordination Proceeding, Special Title (Rule 1550(b)) No. 4180 (Cal. Sup. Ct., SM Cty.). In this coordinated derivative action, Oracle Corporation shareholders alleged that the company's CEO, Lawrence J. Ellison, profited from illegal insider trading. Acting as co-lead counsel, the firm reached a settlement under which Mr. Ellison would personally make a charitable donation of \$100 million over five years in Oracle's name to an institution or charity approved by the company and pay \$22 million in attorneys' fees and expenses associated with the prosecution of the case. This innovative agreement, approved by a judge in December 2005, benefited Oracle through increased goodwill and brand recognition, while minimizing issues that would have been raised by a payment from Mr. Ellison to the company, of which he was a large shareholder. In addition, the lawsuit resulted in important changes to Oracle's insider trading policies that decrease the chances that an insider will trade in possession of material, non-public information.

In re: Philip Services Corp. Sec. Litig., 98cv0835 (S.D.N.Y). As co-lead counsel, Berman DeValerio negotiated a total \$79.75 million settlement with the bankrupt company's former auditors, top officers, directors and underwriters. The case alleges that Philip Services and its top officers and directors made false and misleading statements regarding the company's publicly reported revenues, earnings, assets and liabilities. The court granted final approval of the settlements in March 2007.

In re: Reliant Sec. Litig., 02cv1810 (S.D. Tex.). As lead counsel representing the Municipal Police Employees' Retirement System of Louisiana, the firm negotiated a \$75 million cash settlement from the company and Deloitte & Touche LLP. The settlement agreement was announced in July 2005 and the Court granted final approval in January 2006.

Ehrenreich v. Witter, 95cv6637 (S.D. Fla.). The Florida office acted as co-lead counsel in a case involving Sensormatic Electronics Corp., which resulted in a settlement of \$53.5 million approved in 1998. It was one of the largest class action settlements in the state of Florida.

In re: Thomas & Betts Sec. Litig., 2:00cv2127 (W.D. Tenn.). The firm served as co-lead counsel in this class action, which settled for more than \$51 million. Plaintiffs had accused the company and other defendants of issuing false and misleading financial statements for 1996, 1997, 1998, 1999 and the first two quarters of 2000.

In re: Enterasys Networks, Inc. Sec. Litig., C-02-071-M (D.N.H.). Berman DeValerio acted as sole lead counsel in a case against Enterasys Networks, Inc., in which the Los Angeles County Employees Retirement Association was lead plaintiff. The company settled in October 2003 for \$17 million in cash, stock valued at \$33 million and major corporate governance improvements that opened the computer networking company to

greater public scrutiny. Changes included requiring the company to back a proposal to eliminate its staggered board of directors, allowing certain large shareholders to propose candidates to the board and expanding the company's annual proxy disclosures. The settlement received court approval in December 2003.

Giarraputo v. UNUMProvident Corp., 2:99cv00301 (D. Me.). A member of the executive committee representing plaintiffs, Berman DeValerio secured a \$45 million settlement in a lawsuit stemming from the 1999 merger that created UNUMProvident. Shareholders of both predecessor companies accused the insurer of misleading the public about its business condition before the merger. The settlement received final approval in June 2002.

In re: UCAR International, Inc. Sec. Litig., 98cv0600 (D. Conn.). The firm represented the Florida State Board of Administration as the lead plaintiff in a securities claim arising from an accounting restatement. The case settled for \$40 million cash and the requirement that UCAR appoint an independent director to its board of directors. The settlement was approved in 2000.

In re: SmartForce PLC d/b/a SkillSoft Sec. Litig., 02cv544 (D.N.H.). Representing the Teachers' Retirement System of Louisiana as co-lead plaintiff, Berman DeValerio negotiated a \$30.5 million partial settlement with SkillSoft. Subsequently, the firm also negotiated an \$8 million cash settlement with Ernst & Young Chartered Accountants and Ernst & Young LLP, SkillSoft's auditors at the time. The settlements received final approval in September 2004 and November 2005, respectively.

In re: Centennial Technologies Sec. Litig., 97cv10304 (D. Mass.). The firm served as sole lead counsel a class action involving a massive accounting scandal that shot down the company's high-flying stock. The Boston office negotiated a settlement that permitted a turnaround of the company and provided a substantial recovery for class members. The firm negotiated changes in corporate practice, including a strengthening of internal financial controls and obtained 37% of the company's stock for the class. The firm also recovered \$20 million from Coopers & Lybrand, Centennial's auditor at the time. In addition, the firm recovered \$2.1 million from defendants Jay Alix & Associates and Lawrence J. Ramaekers for a total recovery of more than \$35 million for the class.

In re: Avant, Sec. Litig., 96cv20132 (N.D. Cal.). Avant!, a software company, was charged with securities fraud in connection with its alleged theft of a competitor's software code, which Avant! incorporated into its flagship software product. Serving as lead counsel, the firm recovered \$35 million for the class. The recovery resulted in each eligible class claimant receiving almost 50% of losses net of attorneys' fees and expenses.
